The Worlds Greatest Shave

Last Friday, Tamika bravely had her hair shaved at the SRC assembly for the Leukaemia Foundation. She donated her long hair to be made into a wig for cancer sufferers who lose their hair as a result of treatment. The SRC raised $156.50 selling spiders at recess and lunch time. Thanks to those who donated drink, ice-cream and cups. So far Tamika has raised $464.50 with donations from staff, friends and the SRC fundraiser. Special thanks to all who have supported Tamika in her quest to raise funds for this worthy cause.

Peterborough Primary School

ATSI News

We have been working in small groups and brainstorming “Powerful Learning.” Last week we painted what “Powerful Learning might look like.” These are now displayed in the room and we hope to share these at our assembly later in the term. Thank you to all the parents, grandparents and friends who came to the Show Case on Wednesday evening. It was lovely to see you and for you to come into our ATSI room and have a chat! If you would like to see me regarding your child/children I am available on most Wednesdays or by appointment

**BUSHFIRE SEASON**

Important information for Parents and Carers 2016

---

**APPROACHING BUSHFIRE**

If our school or preschool is open and a bushfire is approaching, the safety of children is our highest priority.

The South Australian Police (SAPOL) and the Country Fire Service (CFS) will take charge if a bushfire is approaching. They recommend that in such an event, everybody should remain at their school or preschool unless instructed to do otherwise.

Principals and preschool directors must comply with SAPOL, or CFS instructions.

If the police have not advised an evacuation, everyone will remain inside a designated building and emergency procedures will be activated. These will include:

- Moving everybody inside, closing windows, doors, and blocking crevices, cracks and gaps.
- Plugging downpipes and filling roof gutters with water, if there is time.
- Checking that taps are working and filling available containers with water.
- Hoseing down walls, garden etc. on the side facing the 'fire-front' and leaving garden sprinklers on.
- Remaining inside and putting fire drill procedures into action with the children until the main fire-front passes.
- Listening to the local ABC Radio Station for information.

We hope that we will never have to enact fire drill procedures. However, we are working with our school and preschool communities to be bushfire ready in the event of a bushfire emergency and trust that parents and carers will add their support.

**BUSHFIRE SEASON**

Important information for Parents and Carers 2016

---

**Bushfire season can be an anxious time for children and families.**

Our schools and preschools in bushfire prone areas have emergency plans to keep everybody as safe as possible in the event of a bushfire.

Please read the information carefully in the best interests of children.

By being prepared, and acting now, you will help our schools and preschools to be bushfire ready and keep our children as safe as possible.

Thank you for your support.

**BEFORE THE BUSHFIRE SEASON**

Our schools and preschools prepare for the bushfire season and develop plans for the threat of a bushfire. We consult with fire authorities and building specialists to be better prepared. Our schools and preschools in bushfire prone areas must:

- Complete a Bushfire Safety Audit and checklist.
- Prepare buildings and grounds including clearing gutters, and removing vegetation.
- Update their Bushfire Action Plan and inform families of changes.
- Practice bushfire safety drills.
- Ensure power-fail and analogue telephone handsets and battery powered radios are in working order.
- Ask parents and carers to update their emergency contact details.

**HOW YOU CAN HELP**

We ask parents and carers to:

- Read all bushfire information provided.
- Talk to your children about what will happen if a bushfire occurs when they are at school or preschool.
- Make sure your emergency contact details are up-to-date with our school or preschool.

**DAYS OF CATASTROPHIC FIRE DANGER RATING**

Catastrophic fire danger rating days are days when the weather conditions mean a fire is more likely to start and is more difficult to control.

When a catastrophic fire danger rating is forecast for the following day by the Bureau of Meteorology, all 'low/medium risk' schools and preschools (such as ours) in the declared Fire Ban District will remain open. School buses and taxis services will not operate within the Fire Ban District.

Parents and carers will need to make alternative transport arrangements for their children on these days.

Please make sure your emergency contact details are updated before the bushfire season starts.
