Welcome to Week 7!

Progressive Assessment Testing (PAT) & Running Records

PAT and Running Record testing will begin this week and will take place over the next 4 weeks for all of our students from Reception to Year 7. The information gathered will inform students and teachers where children are currently in their learning journey and it will support them with learning goals for the future. This information will be used alongside recent NAPLAN results and classroom assessments to develop a holistic picture of the child and their current level of learning.

Staff Professional Learning

Yesterday teaching staff from all schools in the Flinders Partnership gathered together at Booleroo Centre District School. Staff worked in year level and curriculum teams to develop learning tasks and assessments which will be used as the basis of our ongoing learning and development in the area of moderation around A-E grading for reporting.

Opinion Survey

Thank you to all of the families who have already returned their Opinion Surveys the response has been amazing! Families will **receive a raffle ticket** on the return of the survey **for a meat voucher**. It is hoped we receive many responses to support our planning into the future. Closing date September 22! If you have misplaced your survey, please contact the school and another one will be sent home.

As usual the door is always open; so please don't be a stranger, come in and chat about your school, what is happening, what is working well and what could be done better.
