"PPS steaming ahead through challenge and persistence to learn and grow!"

Welcome to Week 5!

Remembrance Day

*They shall not grow old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*

Yesterday students took time to remember those people who gave their lives for our country. This is a day for all Australians to remember and thank the men and women who have served our country in times of war and peace.

Outstanding Results

Recently students completed their annual Progressive Assessment Test (PAT) in maths and reading. The results show that there has been amazing improvement over the last twelve months across the school. The data from all classes indicated a marked improvement in both areas with several year levels achieving 100% attainment against the DECD Standard of Educational Achievement. Please feel free to contact your child's teacher for further information about individual results.

Thanks for your Support

Staff and students would like to thank all of the families and friends who were able to support the Arts Expo last week. It was wonderful to see so many people at the presentation and open classrooms.
