TO: THE PRINCIPAL, STUDENTS AND MEMBERS OF THE SCHOOL COMMUNITY

RE: PREMIER'S READING CHALLENGE

Congratulations on another wonderful year of reading.

Reading regularly is an important step in developing good literacy skills. It is the key to success at school and into the future.

You should be very proud of your achievement in the 2017 Premier's Reading Challenge.

You have supported another successful year, with 706 schools in South Australia and well over 130 100 students completing the Challenge.

The Premier's Reading Challenge has now completed its 14th year, with six students eligible for the very first Reader for Life award. These students started the Challenge in 2004 and have completed the Challenge every year since it began.

The South Australian Government is delighted to support the Premier's Reading Challenge, but the students, staff and parents make it a reality and I thank you all for your efforts. Please find a certificate of recognition from me enclosed for the people who coordinate the Challenge at your school.

I encourage all students to take up the Challenge again next year and to continue on the journey of becoming a reader for life.

Yours sincerely

Jay Weatherill
