Welcome to Week 1!

The Wizard of OZ

As you may have already noted in your child's report Peterborough Primary School & Yunta Campus will be showcasing The Arts this year through the production of the Wizard of OZ. Students are busily working with Miss C and their class teachers on lines, props and costumes.

The proposed date of the performance is the evening of Thursday 27th September in the Town Hall. Please save this date!

Early Finish

Tuesday the 31st July, school will finish at 2.30pm allowing time for staff from the Partnership to meet for Professional Development.

Yunta Campus will close at 2.00pm on early finish days.

Internet Safety Tips

BE INTERNET SMART

- Share with Care
- Good (and bad) news travels fast online, and without some forethought, kids can find themselves in tricky situations that have lasting consequences. The solve? Learning how to share with those they know and those they don't.
- Communicate Responsibly
- Encourage thoughtful sharing by treating online communication like face-to-face communication; if it isn't right to say, it isn't right to post.
- Create guidelines about what kind of communication is (and isn't) appropriate.
- Keep personal details about family and friends private

From the Principal

BE INTERNET KIND

- It's Cool to Be Kind
- The Internet is a powerful amplifier that can be used to spread positivity or negativity. Kids can take the high road by applying the concept of "treat others as you would like to be treated" to their actions online, creating positive impact for others and disempowering bullying behavior.
- Set an Example
- Use the power of the Internet to spread positivity.
- Stop the spread of harmful or untrue messages by not passing them on to others.
- Respect others' differences.
- Take Action
- Block mean-spirited or inappropriate behaviour online.
- Make an effort to provide support to those being bullied.
- Encourage kids to speak up against and report online bullying.
