Welcome to Week 3!

From the Principal

Student Free Day

***Friday 10th August:** Staff will be attending a Collaborative Impact Program day in Orroroo with all schools in the Partnership.

Collaborative Impact program

On Thursday afternoon and all day Friday, teachers from all sites of the Flinders Partnership will be meeting together for professional development to further their learning. We will learn how to gather, collate and examine evidence from our classes and transfer this into action that will make a positive difference to the outcomes of students and have an impact on student learning and achievement at PPS.

This year teachers have been sharing with students **learning intentions and success criteria** for their literacy and numeracy lessons. When students know what they are learning and why, as well as knowing what they need to do to demonstrate their knowledge, skills and understanding to be successful they can become more engaged in their learning pathways.

Opinion Survey

Last week an Opinion Survey was sent home to all families. Please take some time to fill it out and return it to school by as soon as possible. Families will **receive a raffle ticket** on the return of the survey **for a meat voucher**. It is hoped we will receive many responses to support our planning into the future.

Closing date August 31st!

As usual the door is always open; so please don't be a stranger, come in and chat about your school, what is happening, what is working well and what could be done better.
