Welcome to Week 10!

NAPLAN

NAPLAN Testing will take place in week 3 next term.

Students in year 3, 5 and 7 will be participating in tests which will be administered Australia wide and provides information to families and schools about students' learning.

NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling, grammar and numeracy. It is important to remember that NAPLAN is not about passing or failing, but about assessing learning progress. At the classroom level it is one of a number of important tools used by teachers to measure student progress

Peterborough Expo

On Friday the 13th Peterborough Primary School will be joining many other services in the Peterborough Expo. This is a great opportunity to showcase various aspects of the school community digital technologies and give aways. Please come and join us and enjoy all the Peterborough has to offer.

Thanks

Thank you all of the families, staff and students who made the whole school trip to Adelaide last week such a great success. With students arriving on time the bus was able to leave with time to spare ensuring a relaxed lunch break before the Museum visit. All students arrived home safely at the expected time and eagerly backed up to school the next day.

A great effort from all involved!

Governing Council Meeting

The next Governing Council meeting will be Monday 21st May 9.15am in the staffroom
