### 5/6/7 Sleepover

Next Tuesday the Yr 5/6/7 class will be travelling to Adelaide to explore the city; this activity is part of the Phil Cummings Project. After time exploring the city the students will have dinner together and then sleepover in the Mortlock Chambers (the first group to ever sleepover in the Mortlock – so exciting). They will be travelling home the next day.

### Building Renovations

The building site will be blocked off and access restricted to all students. For the duration of the renovation the boys will be accessing the toilets in the main office area.

During this time we ask that families take extra care, ensuring students are safely on the school grounds as the traffic direction will change.

I thank you for your patience while the renovations take place.

The Year 5/6/7 class enjoyed a visit from Phil Cummings and Sharon and Liesel from the State Library. The children have been chosen to help collaborate a project which will involve an exhibition and interactive lesson for other students to engage in when visiting the library, which will be open from 18th April - 21st July 2019.

This exhibition will give students the opportunity to discover the creativity and writing process of Phil Cummings. The exhibition will also be taken 'on the road' to Rural areas.

Students from Peterborough Primary School and St Josephs have been asked to help with the design.

Next week the Year 5/6/7 class will travel to Adelaide and are guests of the Library, sleeping in the Mortlock Room (being the first group ever to be invited to stay overnight). This will be followed up with visits and video conferences next year.
