## Newsletter

What a great first week across all classes with students settling back in well and getting on with learning. Please support your child's learning by having them read at home. This can be the community paper or even ingredients on food product.

Attendance has been good with parents and carers calling the school to advise of illness. We would love to hit the 95% target the term. That's less than 3 days per term.

**Welcome to our new Reception students** beginning at PPS - Bianca, Claire, Ryder, Kaiden, Randall, Khalia and Willow and Ava at Yunta Campus.

We also welcome Robert, Faith and Carter and wish them all successful years of learning at Peterborough Primary and Yunta Campus .

**The Student Representative Council and House Captain Induction Assembly** is on **Wednesday February 13th** at our first assembly for the year, the newly elected Student Representative Council (SRC) will be inducted. This year we have one representative from Learning Groups 1 and 2 and Yunta Campus and two reps from each of Learning Groups 3 and 4.

A new SRC rep will be elected each term in Learning Groups 1 and 2 and each semester for Learning Groups 3 and 4.

Classes will have regular class meetings to encourage 'student voice' as students are encouraged and supported to become involved in the decision -making processes of our school.

This coming Wednesday students from Mr Thorpe's Learning Group 4 will be presenting their election speeches to their House members in Eyre and Flinders. Elections will be conducted and elected House Captains and Vice Captains will also be inducted at the Week 3 assembly.

**Parents/Caregivers of our House Captains and SRC reps** will be invited to attend a morning tea in the library after our assembly.

### **School Finishes Early Tuesday 11th February**

Staff members will be attending Flinders Partnership Professional Learning to collaborate with teachers from other partnership schools (Orroroo AS, Booleroo Centre DS, Wilmington PS, Melrose PS and Peterborough HS). Therefore school will finish earlier than usual on Tuesday February 11th at 2.30pm. Other dates that have been approved for early finish at **2.30pm** will be May 12th and August 4th.

**Two student free days** have been approved for teachers to design learning and assessment tasks and to be involved in collaborative moderation, the date planned for **March 10th and September 14th**.

These days are important as they provide opportunities for staff to develop and extend their understanding of student needs, curriculum and how to further enhance student learning opportunities and outcomes.

The Governing Council AGM will be held on Monday 17th February 2020 at 7.30pm. All parents are welcome to attend. Nomination sheets are available from the Front Office for anyone wishing to become a member. There are usually 2 meetings per Term.
