Dear Parents/Carers

The weeks are ticking by very quickly for this term as we attempt to fit in the many things required for teaching your children.

One of the issues that has been impacting both behaviour and learning is the number of children coming to school tired, arriving without eating or consuming high sugar items (soft drinks, packets of biscuits) before school. Apart from the healthy eating issues these items often result in students not being able to concentrate or being hyperactive in class. Please advise your children on better options.

Unfortunately we had to postpone swimming due to weather concerns as we did not wish to cause illness due to the children getting cold. This has now been rescheduled for next Tuesday which is showing to be much warmer at 34 deg.

Don't forget the 'School Showcase' next Wednesday and the opportunity to view what is happening at school. Don't forget to get those sausage orders in. A note was sent home Monday.

We will hopefully be able to use the new playground next week when the soft fall is put in which has many students excited.

Thanks for those who participated in the Governing Council AGM or called in their apologies. If you would still like to be part of this and were unable to attend please contact the school.

Remember reading is a core component of your child's learning and I encourage you to support your children in this area as homework or before getting on other technology choices.

We are currently testing students levels across the school to ensure we are meeting their learning needs.

Looking forward to a great week

Edward

Library Information

The Peterborough Primary School Library offers a huge range of books for students to borrow.

Students borrow with their classes, for their home borrowing and also for books in the classroom. but students are welcome to come to the Library before school and after school to borrow and return.

Students in Reception to Year 2 may borrow up to 3 books for a week.

Students in Year 3 — Year 7 may borrow up to 5 books for 2 weeks.

Students can borrow and exchange Library Books every day from :-

8.45am — 9.00am before school

3.10 pm — 3.30pm after school

Please feel free to come in and check out what is available for your children to borrow and help them select some books to take home.

There are also free preloved books from the Library for students to take home.

Premier's Reading Challenge

The Premier's Reading Challenge began again on January 28th.

Students have their forms and have started the Challenge.

The Challenge is to read **12 books in total** by Friday 4th September.

Certificates and Medals are awarded for each year your child completes the challenge.

If you need further information please contact Lyn in the Library on 8651 2102.

The Premier's Challenge Website also has lots of information.
