Dear Parents/Carers

I was in Adelaide last Thursday and Friday attending a school Leaders and Literacy conference with guest speakers from around Australia and the USA. What was made clear was that the learning challenges we face at Peterborough are not unique but there is also opportunity to make excellent growth with clear and explicit teaching.

This is especially so with reading where children who have access to and read books integrate into school more easily. I continue to encourage **reading**, to and with your children on a **daily** basis. All students have access to the school library. Use the opportunity when dropping off or collecting your child to visit and take out books as you are welcome to attend.

We are having increasing incidents of children selecting not to have **breakfast** at home, often because they are late. Breakfast is extremely important in supporting the ability of students to engage in their learning, concentrate and moderate their behaviour. Please check if your child has eaten in the morning.

I would also request parents look at what children are packing in their lunch boxes. Some children have little in the way of **'Healthy'** snacks but lots of high sugar bars like LCM's etc. A **balanced approach with some fruit and vegetables** will help maintain a healthy diet.

Thanks to all who attended the **'School Showcase'** last week and met with teachers, viewed and participated in activities in the classroom. It was great to see children excited about sharing their work and classrooms with family.

For those who were unable to attend you are able to make time after school to meet with teachers and discuss your child's learning. Please contact the school to arrange a time.
