Dear Parents/Carers

We have had a consistent improvement in **attendance** over the last few weeks and hit **94%** attendance last week. This is just under the **target** of 95% so keep up the great effort in getting your children to school.

Since the return to school we have had a few **behaviour** issues that are not acceptable and we are addressing these when aware. All cases of bullying or threatening behaviour are treated seriously and can result in **suspension** as some students have already found out this term.

If you have a concern regarding the **relationship** between your child and another one please contact the school with your concerns. It is not appropriate to speak to other parents or students directly as often actions are based on student 'part truths' which often inflame situations.

A number of students are not wearing **school uniform** to school. This is particularly noticeable with the year 6/7 class. Peterborough Primary School has an official dress code which all students are to adhere to. **Jackets** and **polo shirts** with our school emblem and bucket hats in school colours are available for purchase from the front office.

With the arrival and spreading of soft fall for under the new swings we hope to have these operational next week to provide another option for play. Many students **participated** in moving the bark chips by bucket to speed up this process. Skipping continues to be a successful break time activity.

The school is continuing with additional cleaning throughout the day including the playground to maintain a clean and healthy environment for the students.

HATS - All Year Round
NO HAT - NO PLAY
(Except when UV levels are < 3)

Please ensure that your children wear school uniform to school.

Uniforms are compulsory including shirts, jumpers and hats. School **jackets** are part of the uniform and it is essential that all students wear a **school jacket** while at school.

All uniform supplies are available at the front office including school jackets.
