Dear Families

It has been wonderful having a week of warmer days and sunshine but this also brings some challenges to students. Hydration is an issue with many students drinking only minimal water which has an impact of concentration and health. We have had a number of students with symptoms of dehydration last week. Please encourage you children to **drink water** and bring a water bottle to school. Soft drinks and 'energy' drinks are not permitted at school.

Hats, hats, hats..... are required by **all students** when in the grounds as per school policy. Hats are available from the front office. Caps and hoodies are not uniform nor offer suitable protection from UV rays.

We had Olivia from Orroroo Area school on work experience last week. It was a joy to see young people interested in working in an education setting. She worked in our junior primary classes and settled in extremely well with students and staff.

It is the time of year when you have the opportunity to provide feedback to the school about what we do well, what areas of improvement and direction for the school you would like to see. To support this can you please complete the survey below which is confidential and will provide information to help us improve.

https://educationsa.syd1.qualtrics.com/jfe/form/SV_eJ3AXNw9IsJQcdL?RID=CGC_FCmjDS08TBnjwBk&Q_CHL=email

We will send this link electronically to enable easy of access.

Bringing toys from home as part of **oral language** 'show and tell' is fine as long as they are washed and clean then kept in school bags. Other toys, pokemon cards and the like cause issues particularly around swapping or going missing. Please keep these items at home.

Remember you are able to make an **appointment** to see teachers or myself at any time should you have any concerns regarding your child's progress or other concerns.

Regards
Edward Duffill

Knowing is not enough; we must apply. Willing is not enough; we must do.

Johann Wolfgang von Goethe

NO HAT - NO PLAY (Except when UV levels are < 3)

**School Value
Certificates last week were
proudly presented to**

Learning Achievement

Lilith, Misha

Premiers Reading Challenge

Lochie, Xavier, Izaac, Jeremy, Ava, Allen, Issac, Hannah

Reminder

School Photo day is Wednesday 14th October 2020 - Week 1 Term 4

Envelopes will go home today - Please bring them on the day and give to photographer

The Junior Primary students had a wonderful day attending the Patch Theatre in Port Pirie. The children watched a performance called 'Me and My Shadow' after lunch at the playground.

The school Choir performing at Assembly last week

Learning Group 1 received a Trauma Bear named Lora from the Jamestown Ambulance Crew.

The students made a card in thanks for the kind gesture.

Burra Dental Clinic
Burra Hospital
48 Commercial Street, Burra

Is your child due for their dental check-up?

If your child hasn't had their regular dental check-up yet, the upcoming school holidays is an ideal time to book an appointment without having to worry about taking them out of school.

Prevention is always better than cure - which is why regularly assessing your child's teeth is the most effective way to keep their dental health on track from childhood right through to adulthood.

Your child may also be eligible for \$1000 FREE basic dental care every two years through the Child Dental Benefits Schedule (CDBS).

To book an appointment and/or find out if your child is eligible today, give us a call on (08) 8651 3007.

SRC Disco

Wednesday September 16th

The SRC are planning to hold a lunch time disco
1pm-1.30pm on Wednesday September 16th.

Entry for this event will be a gold coin donation and money raised will support Cancer Council- Childhood Cancer.

Small packets of chips and fruit boxes will be on sale for 50 cents each, profit from sales will go toward our 'Games at Lunch time' fund. Money raised this year will purchase more games and activities for use during wet and very hot weather play times.
