

# Peterborough Primary School and Yunta Campus

## Newsletter

### Newsletter Tuesday Week 9

*From the Principal*

Big cheer to Miss T for donating her hair to a great cause. We now have a teacher with less hair than Mr D till hers grows back.

Reading is the back bone of learning. Consider having your child read to you for 10 minutes each night before they use technology or watch TV. We have no shortage of books at school that can be taken and kept at home to create a home library for your children. Drop in after school to see Mrs Prior and we can arrange for a variety of books at all levels.

**Warm** school tops are available at school office with eftpos available. If your child needs to wear an alternative top this should be plain and without graphics. **School shirts** are part of our school uniform policy. Please check your child's clothing before they leave for school to ensure what is worn is appropriate for school and includes school uniform.

**Contact Details** – It is essential for the school to update contact details for parents/ carers and emergency contacts. If you have changed your number recently please contact the school to update. You can message **0419830668** with updated details including any changes to **emergency contacts** and an **email address** which would enable us to send out newsletters, notes and other resources for students if at home for extended periods.

**QR Code** - Please remember to sign in using the QR Code with your smart phone located by each classroom if you are coming onto the school site to enable us to keep compliant.

### SRC News

**Crazy Hair Day** was supported enthusiastically by students last Friday with lots of colourful and amazing hair styles being created, many with the support of family members. Thank you. A special thank you also to SRC members who designed posters to advertise the day. A total of \$63.20 was raised and presented to Tennayah Evans (Miss T) who participated in the World's Greatest Shave last weekend. Our donation will support the work of the Leukaemia Foundation for people living with blood cancer. The next SRC fundraiser will be a PJ, Popcorn and Movie day on the last day of school Friday April 9<sup>th</sup>. Funds raised will support student lunch time activities. There will be a cost of \$2 to participate.

### Participation in the National Day of Action-Bullying. No Way.

Students discussed what 'Bullying' means and some strategies to keep themselves safe, such as asking the person to STOP, walk/run away, seek adult help and report any incidences of bullying. For your information a Parent SA brochure title 'Bullying' will accompany this newsletter.

Students were also given information for the KIDS HELPLINE. Kids Helpline is Australia's only free, private, and confidential 24/7 phone and online counselling service for young people aged 5 to 25. Counselling is currently offered by phone **1800 55 1800**, [Webchat](#) and [email](#).

Last Friday 4 students from Learning Group 4 planned, organised and managed '**Play at lunch time**' activities. Skittles, egg and spoon races and accuracy toss were enjoyed by many. Some students also made a Chatterbox and wrote strategies to remember if experiencing 'bullying'

### Student Free Day

**A reminder that Tuesday April 6<sup>th</sup> is the next student free day** as teachers will be continuing their professional learning to support the development of writing skills for students with a presenter from Adelaide.

NAPLAN on line practice test Friday March 26<sup>th</sup> which provides an opportunity for the school to test its systems and students to gain additional experience in using this assessment tool before the actual assessments next term.

Edward
