## Principal's News

Dear all

Last 8 days of school and how quickly they are ticking off. So many things to get ready and completed over the next week.

Year 6's have been having transitioning days at the High School as they prepare for the next step in their educational journey. Hopefully they realise it's not making 'lemon scones' every day and the effort they put in is what makes the outcomes.

Our new reception students were also having a transition day on Tuesday and Miss 'C' (Danielle Cockburn) the new teacher for next year was at school again for the day. It was appreciated that she made this effort to get to know the students.

Our Year 5/6 class for 2023 will also have a new teacher, with Mrs Shirley Dearlove, who many will know locally and who has been working at the high school this year. She brings vast local experience and knowledge to our school which she can share with the students.

We are currently advertising for a teacher for Yunta Campus and will hopefully find an appropriate person before the end of term.

We have completed our External School Review with the final report to be posted on the school website when finalised. The review was very positive about the direction the school was progressing and what they saw happening in both Learning and Wellbeing

Sports day was a success with students, staff and parents enjoying what was a great day with ideal weather. Thanks to all those who attended and went to the classes to share lunch with their children.

A big thank you to all who have supported in the school through this year. The Governing Council for their input and support in creating the best outcomes for our children. For the parents who support school events and ensure their children get to school each day. To the wonderful and dedicated staff at PPS who work to ensure great outcomes for your children.

## SRC Disco

SRC plan to organise their last disco for 2022 on Wednesday 14th December. Chips and drinks on sale and free admission. There will be games and lots of dancing.

## Aussie of the Month November

Congratulations to Xavier who is our November Aussie of the Month. Xavier stepped in as a Vice Captain for the Flinders House this term and displayed his leadership qualities as he support and cheered on his team members during Sports Day.

## Pom Pom Garlands

Thanks to Mel Lewis who has helped students learn the skill of mass producing pom poms. They have been strung together to make some colourful garlands to brighten up the Games Room. The Year 6s will hold their Graduation Lunch in the Games Room during week 9 and these garlands will certainly help to make the occasion festive.

## Presentation Night preparations.

I have been impressed with the excitement and engagement of students and their teachers as they make preparations for their item at presentation night. It is a time to showcase students' strengths and talents as they dance, sing and entertain their audience.

**Presentation Night begins at 6pm on Wednesday December 14th**
